The \$15,000 in bonds voted some weeks ago for the improvement of the light plant have not been sold yet. The commissioners have met and qualified and it is very likely that bids on the bonds will be received about the 15th of this month. The commissioners are in correspondence with some parties who have signified their intention of taking up the bonds and making a bid on the installation of the plant. The commissioners hope to have the new plant completed about the first of the year.

"CADILLAC THIRTY" AUTOMOBILES 1911 Models.

The best car on the market for the money, if you are thinking of buying an automobile, investigate the "Cadillac Thirty." Write me and I will send a demonstrating car to see you. Do not wait, as it has been in the past and is yet a question of getting the cars before the output for the coming season is sold.
